

## Awards 2020 on Smart Materials and Structures

Isham Albouzi

Department of Surveying and Geometric Engineering, Faculty of Engineering, University of Tehran, Iran, E-mail: alzoubi@ut.ac.ir

### Awards 2020

"9th International conference on Smart Materials and Structures" organized in Amsterdam, Netherlands during October 19-20, 2020. Smart Materials 2020 initiates the novel applications of smart emerging materials in materials science. Content science professionals gathered around the world to learn about the latest developments and innovations as well as novel applications of smart emerging materials. Smart Materials & Structures Conference 2020 is a 2-day program that offers exhibition at the venue to display new and emerging technologies and has extensive sessions in which the main Keynote presentation, YRF (student presentation), Oral, Posters, E-poster presentations. To share their valuable presentation on the most recent and advanced techniques, development and latest updates, a world-renowned speaker and prominent representative representatives from all over the world participate in the conference. On that note, Smart Materials Conference 2020 invites all interested participants to this prestigious event in the grand destination Amsterdam, Netherlands.

#### Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions to advancing in **Smart Materials**. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of **20+ years of experience** in the relative field in public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

#### Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in Smart Materials research field in the public or private sector for **experts having research knowledge at 10+ years** in the field of **Smart Materials** with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

#### Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of **Smart Materials**. Our conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

#### Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career

development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

### **Outstanding speaker in smartmaterials-cs-2020**

This award is recognizing for individual who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Smart Materials**. You can nominate deserving of the award through online.

### **Best Keynote Speaker In smartmaterials-cs-2020**

This award is recognizes for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in **Smart Materials**. If you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online.

### **Best Poster Presentation in smartmaterials-cs-2020**

Student Poster Competition is organized at Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions during the conference. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online.

### **Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in smartmaterials-cs-2020**

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work Presentation who will present their projects and thesis that have been implemented to improve long-term excellence in the field of **Smart Materials**. You can nominate deserving of the award through online. You can nominate someone deserving of the award through online.
