### **Awards 2020**

#### **Research Contribution and Achievement**

The conference acknowledges those participants and organizations that have remarkably added to the value to scientific community. Awards provide an opportunity to the participants like outstanding researchers, exceptional graduates or early academicians and organizations to showcase their best research and projects to the world related to the conference theme. It also recognizes who have collectively made unique and significant contributions to the scientific community related to the conference theme. It also provide platform to professional networking with researchers of similar interest from others part of the world and also encourage the participants in taking active part in the International Science platform to sharpen their skills and knowledgebase.

#### **CALL FOR NOMINATIONS**

##### **Expert Level (Scientific Service Achievement Award)**

The Achievement award is designed to recognize sustained, exceptional performance and/or significant contributions of the individuals who have made splendid contributions in **Nursing Practice. Scientific Service Achievement Award** is one of the most distinguished awards in the conference. The applicants should have minimum of **20+ years of experience** in the relative field including performance or project goals above and beyond normal performance expectations in public or private sector. The applicants are expected to have a highly committed passion and should take lead in researching the current trends and developments towards the related subjects. The applicants can be nominated through online.

##### **Professional Level (The Research Contribution Award)**

**The Research Contribution Award** aims to recognized renowned professional for their excellence in research in the area of **Nursing Practice** to the advancement of knowledge in their own fields with significant impact on public or private sector. The applicants should have 10+ years in area of Breast Cancer with their outstanding achievements. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. The applicants can be nominated through online.

##### **Scholar Level (The Upcoming Researcher Award)**

Applicants must be upcoming scientist, researchers and experts who possess 10+ years of expertise in the area of **Nursing Practice**. The purpose of these awards is to inspire promising participants to expand their network by widely discussing their research advances and their outcome. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. The applicants can be nominated through online.
