

Editor Note

Dear Readers,

I am pleased to mention that during the year 2019, all issues of Journal of Research & Reviews: Journal of Material Sciences, volume 7 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The objective of Journal of Research & Reviews: Journal of Material Sciences is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. Impact factor of JOMS for the year 2018-2019 was 0.57.

As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging. Each issue of the journal contain different types of papers. Research & Reviews: Journal of Material Sciences is an International journal publishing quarterly (Electronic and Print Version) on the aspect of Material Sciences for an effective scientific reading and public view with an aim to reach the world wide researchers. Material Sciences is an integrative, multifaceted, collaborative and a multidisciplinary science dealing with the study of new designs and materials.

I take this opportunity to acknowledge the contribution of Dr. Donald R. Paul during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of JOMS in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JOMS, the office bearers and staff for their support in bringing out yet another volume of JOMS and look forward to their unrelenting support to bring out the all Volumes of JOMS in scheduled time.
