EDITORIAL

I am pleased to introduce International Journal of Chemistry (JCHEM) a rapid peer reviewed Journal which have a key concerns over the medical practices by exploring the best patient oriented chemistry and by exhibiting this information both directly, as chemistry, and in practice oriented formats of direct application in day-to-day situations. I am pleased to announce that, all issues of volume 9 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2020. The Journals aims to flourish and to maintain the standards in research and practice, provide platform and opportunity to present evidence based chemistry assessment of research and probably it is much in deed for students, professors and researcher. Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Founded by Dr. A. Heidari from USA, Journal of chemistry (e-ISSN: 2319-9849) is growing continuously. It is our pleasure to announce that during year 2020, all issues of volume 9 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. All published articles of this journal are included in

the indexing and abstracting coverage of Index Copernicus, Google Scholar, Global Impact Factor (GIF), CiteFactor, Electronic Journals Library, RefSeek, International committee of medical journals editors (ICMJE), Hamdard University, EBSCO A-Z, Virtual Library of Biology (vifabio), Studies receiving funding from a funding organization that is included on the list of PMC and Research Funder Policies or authors having NIH grant were submitted to PubMed (PubMed NLM ID: 101568098). This Journal having Journal cosmic Impact Factor: 4.398* and Index Copernicus Value: 78.32. During the calendar year of 2020, JCHEM received a total of 18 manuscript, out of which 8 articles (70%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2020 around 8 articles were subjected for publication after they are accepted in the peer review process. During the calendar year 2020, a total of two Editors, five Reviewers joined the board of JCHEM and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal. JCHEM also announces its new association with RROIJ group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.rroj.com/chemistry.php> parallel for Editorial and review work process so as to maintain its highest standard of scientific work. Association with RROIJ group has increased Readership Metrics (By Google Analytics) of Journal of Chemistry which can be accessed at Google Analytics Metrics. I take this opportunity to acknowledge the contribution of (Dr. A. Heidari) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of JCHEM in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JCHEM, the office bearers for their support in bringing out yet another volume of JCHEM and look forward to their unrelenting support to bring out the Volume 9 of JCHEM in scheduled time.
