### Past Conference Report

Conference Series LLC Ltd codified the “24<sup>th</sup> International Conference on Dentistry and Dental Materials” during **September 23-24, 2019** in the beautiful city of **Copenhagen, Denmark** with the theme *Current Novel Inclinations in the Arena of Dentistry* which was a great success, where eminent keynote speakers from various reputed institutions and organizations with their resplendent presence addressed the meeting.

Dentists are doctors who specialize in oral health. Their responsibilities include: Advocating oral health and disease restraint. Creating treatment plans to maintain or restore the oral health of their patients. They treat dental cases, such as cavities, and they also educate their patients about how to improve their dental health. Dental surgeons see patients who have deformities or other issues related to their dental health. They perform surgery on the patients and will make sure to correct specific dental issues. Pediatric dentists are dedicated to the oral health of children from early stages. They have the experience and qualifications to care for a child’s teeth, gums, and mouth throughout the various stages of childhood.

[Dentistry](#), also known as dental medicine and oral medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity, commonly in the dentition but also the oral mucosa, and of adjacent and related structures and tissues, particularly in the maxillofacial (jaw and facial) area. Although primarily associated with teeth among the general public, the field of dentistry or dental medicine is not limited to teeth but includes other aspects of the craniofacial complex including the temporomandibular joint and other supporting, muscular, lymphatic, nervous, vascular, and anatomical structures.

We extend our highest gratitude and appreciation to our Organizing committee members **Dr Cristiane Shimazu**, UNIFATEA, Brazil and **Dr Omid Panahi**, Yeditepe University, Turkey and our conference Moderator, namely **Dr Kuenga Zam**, Mahidol University, Thailand for taking up the responsibility to coordinate during the sessions. We are indebted to your support.

The conference was initiated with the Honorable presence of the Keynote forum.

#### Keynote Speakers:

**Arup Ratan Choudhury**, Birdem Hospital, Bangladesh

**Omid Panahi**, Yeditepe University, Turkey

**Dental Materials 2019** witnessed an amalgamation of remarkable speakers and we thank each and every one for your great scientific input, many fruitful discussions and scientific interactions.

The conference was marked with the attendance of business delegates, talented student communities, young and brilliant researchers who showcased their exceptional posters on the conference, representing more than 15 countries, who have driven this event into the path of success.

All the papers presented at the Dental Materials 2019 will be published in the proceedings of the indexed Journal **“Dental Health: Current Research”**.

There are infinite reasons to extend our gratitude to you for making the Dental Materials 2019 outstanding conference. We couldn't have done it without your continuous support and belief towards our organization, which mutually made to achieve Dental Materials 2019 new heights in the field of [Dentistry](#). This inspires us to continue organizing events and conferences for further research in the field of [Dentistry and Dental Materials](#).

Being witnessed the triumph of Dental Materials 2019, Conference series LLC Ltd would like to announce the commencement of the **“25<sup>th</sup> International Conference on Dentistry and Dental Materials”** to be held in **Vienna, Austria** during **October 05-06, 2020**.

We anticipate your presence at Dental Materials 2020!
