

## Past Webinar Report on Food Security and Food Chemistry 2020

Conference series LLC hosted a “**Webinar on Food Security and Food Chemistry**”

**August 24, 2020.**

### Conference Highlights

- Food Microbiology and Food Safety
- Quality control & Management
- Anthropology of Food: The Social Dynamics of Food Security
- Food safety: Child nutrition, food security and nutrition education policy:
- Circularity In Food Systems At Local, Regional or Global Levels
- Food Security and its Nutritional Impact
- Environmental and Climate Impacts on Food Security
- Food security and the Sustainable Development Goals: Synergies, Tensions and Trade-offs
- Food Packaging
- The Security of Water, Food, Energy and Livability of Cities
- Food Microbiology and Food Safety
- Sustainable Food systems and Argo-Ecological Food Production
- Allergen Management in Food Production :
- Quality control & Management
- Food Waste
- Agricultural and Food Economics
- Food Safety and Food Inspection
- Food Security, Poverty and Sustainability
- Transitions to Post-carbon Food Systems in a Post-carbon Economy
- How to Assess Future Food Security: On Foresight, Forecasting, Projecting, Predicting and Exploring The Future
- Influencing Food Consumption and Demand Considering The Food Environment
- Development, Impact and Ethics Of Novel and Data-Driven Technologies In Food Systems
- Availability: Production, Distribution and Exchange Of Food
- Access: Affordability, Allocation and Preference of Food
- Utilization: Nutritional Value, Social Value and Safety of Food
- Chemistry of Food
- Technology In Food Chemistry
- Food Processing, Preservation And Packaging
- Food safety, security and Sustainability
- Food Analysis And Quality Control
- Recent Innovation in Food Chemistry
- Probiotics And Prebiotics
- Food Waste Management, Public Health And Food Safety
- Nutraceuticals
- Chemical Composition Of Food And chemical Additives Of Food
- Food Microbiology And Its Toxicology
- Biotechnology And Nanotechnology In Food
- Chemical Fermentation Technology
- Environmental Impacts On Food Production And Consumption
- Food Drug Interaction
- Food and Mental Health

Active participation and generous response were received from the Organizing Committee Members, scientists, researchers, as well as experts from Non-government organizations, and students from diverse groups who made this webinar as one of the most successful and productive events in 2020 from Conference Series LLC.

The webinar was marked with multiple sessions, Keynote presentations, panel discussions, and Poster sessions. We received active participation from scientists, young and brilliant researchers, business delegates and talented student communities representing more than 35 countries, who have driven this event into the path of success.

The webinar was initiated with a warm welcome note by Honorable guests and the Keynote forum. The proceedings went through interactive sessions and panel discussions headed by honorable Moderator.

The webinar proceedings were carried out through various Scientific-sessions and plenary lectures Conference series LLC has taken the privilege of felicitating Nutrition and Dietetics Summit 2020 Organizing Committee, Keynote Speakers who supported for the success of this event. Conference series LLC on behalf of the Organizing Committee, congratulates the Best Poster awardees for their outstanding performance in the field of Nutrition and Dietetics and appreciates all the participants who put their efforts in poster presentations and sincerely wishes them success in future endeavors.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the webinar by facilitating active discussion forums. We sincerely thank the **Organizing Committee Members** for their gracious presence, support, and assistance towards the success of **Nutrition and Dietetics Summit 2020**.
