ANNOUNCEMENT

It is of immense delectation to share with our readers/authors/editors/reviewers that Journal of Statistics and Mathematical Sciences is disseminating current updates worldwide through the journal platform. Currently, we are on the way to promulgate more updates in the field of econometrics, statistical tomography, and decision theory, biostatistics, multivariate, Bayesian inference, regression analysis, integration, global analysis, probability, stochastic processes, matrix, real functions, complex variables, differential equations, algebra, trigonometry, arithmetic, geometry, calculus. We would like to acknowledge the contributors of our journal for their time-honoured support and cooperation in bringing and publishing the issues on journal website within time.

With reference to the previous submissions received in the journal, we request the eminent authors to come up with their valuable submissions based on their recent ongoing studies related to computational mathematics, differential equations, latin square, mathematical biology, deformation, calculus, real functions, regression analysis, matrix, symmetric space, multivariate analysis to address the issues and challenges in this realm.

This year the journal team is planning to introduce blogs along with the full length articles. For the same, we request the editors/ reviewers/ authors/ readers to give your valuable suggestions and come forward with the updated facts and information.

ARTICLE TYPES

The authors can submit following types of articles in the journal:

Article Types	Word Count
Research Article	1500-6000 Words
Review Article	2000-7500 Words
Original Article	2000-3000 Words
Case/Brief Report	1000-1800 Words
Research Poster	Informative and Captivating
Erratum	8000-1000 Words
Editorial Note	500-800 Words
Commentary	500-750 Words
Short Communication	900-1200 Words
Perspective/Opinion/Suggestions	900-1000 Words
Letter to Editor	500-750 Words

SUBMISSION PROCESS

The manuscript can be submitted online through Online Manuscript Submission System under the link Submit Manuscript: <https://www.scholarscentral.org/submissions/research-reviews-statistics-mathematical-sciences.html>

After the submission, the author will receive a mail from the journal regarding the manuscript number along with the credentials to track the manuscript status. The manuscript undergoes rapid peer review process, acceptance from the editor and then formatting and editing. The whole process takes around 30-45 days for complete processing and publication.

ADVERTISEMENT PLATFORM

Journal of Statistics and Mathematical Sciences also invites the universities/institutes to contact us for the global announcement for International Conferences/Webinars, workshops, exhibitions, academic reports of the events generally organised at regular intervals as a part of curriculum.

MEMBERSHIPS AND REPRINTS

The journal offers various membership schemes for the regular visitors/authors/reviewers/editors of the journal. And accordingly we provide complimentary reprints to the subscribers of the journal. As per the requirement, we provide reprints of individual selected article/issue(s)/volume(s) or customized reprints.

SURVEY AND FEEDBACK

Journal of Statistics and Mathematical Sciences is a growing journal and the journal team is regularly working to upgrade the journal and make it more captivating platform. To achieve the goals the journal circulates survey forms at planned time intervals to take suggestions/feedbacks from the audience of the journal and accordingly the work directions goes on.
