

Reports in Cancer and Treatment (RROIJ)

Editorial Note:

I am pleased to introduce Reports in Cancer and Treatment (RROIJ) which is an open access electronic journal aiming to provide an online compendium for coastal zone, including geographical and political boundaries, in an attempt to achieve sustainability, and case reports in coastal zone management. We have been started in year 2001 **Reports in Cancer and Treatment** is growing continuously. It is our pleasure to announce that during year 2020, all issues of volume 22 were published online on time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of CAS Source Index (CASSI), Index Copernicus, Google Scholar, Sherpa Romeo, [Academic Journals Database](#), GenamicsJournalSeek, JournalTOCs, CiteFactor, Electronic Journals Library, RefSeek, Hamdard University, EBSCO A-Z, Directory of Abstract Indexing for Journals, World Catalogue of Scientific Journals, OCLC- WorldCat, Scholarsteer, SWB online catalog, Virtual Library of Biology (vifabio), Publons, Dtufindit, Geneva Foundation for Medical Education and Research.

During the calendar year 2020, **Reports in Cancer and Treatment** received a total of 30 papers, out of which 6 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2020 around 7 articles were subjected for publication after they are accepted in the peer review process. In the 2 issues of Volume 22 published during the year 2020, a total of 7 articles were published (at an average of 4 articles per issue of which, articles were published from authors all around the world. A total of 30 research scientists from all over the world reviewed the 7 articles published in volume 22. Average publication period of an article was further reduced to 14-21 days.

During the calendar year 2020, a total of three Editors, ten Reviewers joined the board of RROIJ and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will be beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of Editor-in-chief and Associate Editor during the final editing of articles published and bringing out issues of RROIJ in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, language editor, honorary editors, the scientific advisory and the editorial board of RROIJ, the office bearers for their support in bringing out the new volume (Volume 23) of RROIJ for the calendar year 2020 and look forward to their unrelenting support further to release more issues for **Reports in Cancer and Treatment (RROIJ)** in scheduled time.
