### **Young Research Forum 2020**

Conference Series LLC LTD is organizing “World Conference on Agro-Ecology and Crop Science” which is going to be held in the month of October 12-13, 2020 at Manila, Philippines. The Theme of the conference is “Plants in a Changing Environment”. The conference offers Prestigious Award for Young Research’s at Agri Summit 2020- Gathering the New-born Advances in Agriculture and Plant Science.

This award is presented at the “36<sup>th</sup> world congress on Materials science and Nano technology conference 2020” Scientific Session in Tokyo, Japan during the award ceremony and also you can nominate the deserving of the award through online.

This Agri Summit 2020 is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Agri Summit 2020 will provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

Agri Summit 2020 Conference will be an investigation of new research Innovation in the field of Agriculture and Plant Science and spread the most recent advancements Agriculture. Discussion on new technology advancement in the field of Horticulture Therapy, Pesticides and Fertilizers, Plant Science, Agricultural Production Systems & Agribusiness, Agriculture and Environment, Food Science, Crop protection & Entomology, Soil Science & Water Management, Agricultural Biotechnology, Agriculture Engineering, Agriculture & Food Security, Current Trends and Future in Agriculture, Agriculture in Changing Environment, Post-Harvest Technology. The market is mainly driven by the increasing research funding for Agriculture and Plant Science from governments and private investors, growing demand for Production Systems & Agribusiness all over the world, and the increasing need for Food Technology research.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in Agriculture. This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in Agriculture and Plant Science, Crop science, and food technology and in different fields of Agriculture by receiving name recognition at this 2-days event. World eminent speakers, most recent researches, latest treatment techniques and the advanced updates in Agriculture and Plant Science are the principal features of this conference.

The “15<sup>th</sup> Annual Conference on Crop Science and Agriculture” hosted by conference series with the theme, “Emerging New Trends in Sustainable Agricultural Practices and Crop Science” was successfully executed November 18-19, 2019 at Bali, Indonesia. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of 14<sup>th</sup> International Conference on Agriculture and Plant Science.

## **ELIGIBILITY CRITERIA FOR YOUNG SCIENTIST AWARDS: AGRISUMMIT 2020**

The Agri Summit 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

## **JUDGING CRITERIA**

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Agri Summit 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.
