2020 - Conference Announcement

The “19th Annual Medicinal & Pharmaceutical Sciences Congress” hosted by conference series with the theme, “Novelties in Pharmaceutical and Medical Sciences “was successfully executed during March 25-26 ,2019 in Osaka, Japan. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of [Plant Science and Biotechnology](#).

The conference commenced with the presence of worthy Keynote forum and among the notable ones, few are listed below.

“An Easy Understanding of Novel Herbal Cosmetic Approaches” by M.S. Ashawat, Laureate Institute of Pharmacy, India

“Design, develop and evaluate dispensary software in RP-KTPH teaching dispensary” by Jeremy Choo, Republic Polytechnic, Singapore

Conference series is organizing “[22nd Annual Medicinal & Pharmaceutical Sciences Congress](#)” which is going to be held on March 19-20, 2020 at Osaka, Japan .The Theme of the conference is “Challenges and New ideas in Pharmaceutical and Medicinal Sciences. The conference is going to cover the entire field related to Pharmaceutical Sciences , latest research and findings . The Conference will provide a platform where research scholars and students will be able to gain knowledge about new, innovative research and findings from the eminent Scientist, Researchers and Professors.

Benefits of Attending Med Pharma Congress 2020

Exchange ideas and network with leading [researchers, clinicians, and professionals](#) from more than 40 countries. Discuss quality initiatives that can be applied in the practice. Discuss ways to collaborate in putting quality initiatives in place throughout the medicinal and pharmaceutical sciences. Participants can gain direct access to a core audience of professionals and decision-makers and can increase visibility through branding and networking at the conference. Learn and discuss key news and challenges with senior level speakers. With presentations, panel discussions, roundtable discussions, and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues. Conduct demonstrations, distribute info, meet with current and potential Scientists, build a splash with new analysis, and receive name recognition at this 2-day event Pharmaceutical Science Chemistry. World-renowned speakers, the foremost recent techniques, tactics, and also the newest updates in Pharmaceutical Sciences fields are hallmarks of this conference.

The primary goal of Med Pharma Congress 2020 is to promote the latest advancements, research, and developments, explore the challenges in Pharmacy and [Pharmaceutical Science](#) and connected areas. The conference highlights of Plant Physiology 2020 are as follows: : Pharmaceutical sciences, Drug Development, Pharmacology , Toxicology, Pharmacovigilance, Pharmacogenomics, Analytical and Bio analytical Techniques, Pharmacognosy and Phytochemistry, Pharmaceutical Pre formulation Studies, Industrial Pharmacy, Pharma Nanotechnology, Medicinal Chemistry, Clinical Pharmacy, Hospital & Healthcare management, Intellectual Property Rights (IPR)
