ANNOUNCEMENT

It is of immense delectation to share with our readers/authors/editors/reviewers that Journal of Pure and Applied Physics had successfully disseminated 8 Volumes worldwide through the journal platform. Currently, we are on the way to promulgate more updates in the field of applied physics. We would like to acknowledge the contributors of our journal for their time-honored support and cooperation in bringing and publishing the issues on journal website within time.

With reference to the previous submissions received in the journal, we request the eminent authors to come up with their valuable submissions based on their recent ongoing studies related to the applied physics, fluid mechanics, industrial physics, quantum physics, plasma physics, acoustics, mechanical and thermal properties, magnetic and optical properties, astrophysics and astronomy, nuclear, atomic and molecular physics and other such topics that covers the journal scope.

This year the journal team is planning to release 3-4 Special Issues. For the same, we request the editors/ reviewers/ authors/ readers to give your valuable suggestions and come forward with the updated facts and information. The Guest Editors will be felicitated with Certificate of Appreciation from the journal team.
