RESEARCH CONTRIBUTION AND ACHIEVEMENT

The conference offers emerging scholar awards to the outstanding researchers, exceptional graduates or the early academicians who have distinctive enthralment towards the conference themes. The Award attempts in providing a strong professional development opportunity for the early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

CALL FOR NOMINATIONS

Expert Level (Scientific Service Achievement Award)

The award to the experts who have made outstanding contributions for advancing in Natural Medicines 2020. It is the most prestigious award of the whole conference and is tagged as a scientific service Achievement award. The eligibility criteria for achieving this award is that one should have a minimum of 20+ years of experience in the relative field of public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award online.

Professional Level (The Research Contribution Award)

The Award is for professional or academic research activity acquired in the NATURAL MEDICINES 2020 research field of public or private sector for experts having research knowledge at 10+ years in the field of Natural Medicines 2020 with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated from starting date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate a deserving person for the award through online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Natural Medicines 2020. Our conference would like to provide the best platform to grow your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk

on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.

Women Scientist (The Women of Science Award)

Our Conference provides a unique platform for women scientists for presenting their latest research projects with a complete depth analysis. We warmly invite women scholars and scientists from Universities/ Industries who have 10+ years of research experience to join the forum. We are glad to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

Outstanding speaker in Natural Medicines 2020

This award is for recognizing the individual who will present their projects, strategies, and schemes that have been carry out to improve long-term excellence in Natural Medicines 2020. You can nominate deserving of the award through online.

Best Keynote Speaker in Natural Medicines 2020

This award recognizes the best Keynote speaker who will present their projects, strategies, and schemes that have been carry out to improve long-term excellence in Natural Medicines 2020. If you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online.

Best Poster Presentation in Natural Medicines 2020

Student Poster Competition is organized at the Conference, to encourage students and recent graduates to present their original research. All accepted abstracts will be presented at the poster sessions through the conference. Conference Series aims at setting a platform for all the growing scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference. You can nominate someone deserving of the award through online.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Gastro Health 2020

This award is for recognizing the Masters/Ph.D./Post Doctorate of their thesis work and the presentation who will present their projects and thesis that have been carry out to improve long-term excellence in the field of Natural Medicines 2020. You can nominate deserving of the award through online.
