PAST CONFERENCE REPORT

Type in anything that you want. Then click Quill It on the right to paraphrase your input. Media Partners, Associations and Exhibitors for making Pharmaceutica 2018 Conference the best ever!

The 16th International Pharmaceutical Meeting and Exhibition, hosted by the Conference Series Ilc LTD was held during March 19-21, 2018 at Best Western Premier, Airport hotel Fontane Berlin, Blankenfelde-Mahlow, Jonas-Lie-Straße 5-11, 15831, Germany based on the theme " Emerging Drug Delivery Technologies". The Organizing Co received a positive response and active participation Committee Members along with Scientists, Researchers, Students and leaders from various fields of Pharmaceutics and Drug Delivery Systems, who made this event a grand success.

The Conference Series expresses gratitude to the moderator of the conference, namely Dr. Felix-Martin Werner, Euro Academy Pößneck, Germany, is in charge to coordinate during the sessions. We are indebted to your support.

Likewise, we extend our gratitude to our Judges of the Poster, Wei-Ch, Wei-Chiang Shen, University of Southern California, USA; Hyungil Jung, Yonsei University, South Korea.

The conference was initiated with the Honorable presence of the Keynote forum. The list includes:

Vladimir Torchilin, Northeastern University, USA

Wei-Chiang Shen, University of Southern California, USA

Hyungil Jung, Yonsei University, South Korea

Kostas D Demadis, University of Crete, Greece

The meeting represented separate sessions in which the following major research directions were discussed:

Pre-Formulation & Formulation Aspects

Drug Targeting and Design

Pharmaceutical Nanotechnology

Biomedicine and Pharmacotherapy
Green & Sustainable Pharma
Nanoparticulate Drug Delivery Systems
Drug Delivery Technologies
Nanomedicine and Nanotechnology
Smart Drug Delivery Systems
Biomaterials in Drug Delivery
Vaccine Drug Delivery Systems
Medical Devices for Drug Delivery
Peptides and Protein Drug Delivery
2D & 3D Printing in Drug Delivery
Pharmacokinetics and Pharmacodynamics in drugs
Routes of Drug Delivery
Nanotechnology in Drug Delivery
Global Drug Delivery Policy

Our esteemed Media Partners are represented by the Conference Series Group: Open nano; nanomedicine; nanotechnology, medicine and biology; THE PHARMA WORLD; BSTP; Crowd Reviews; Tabeeby; CourseForDoctors.com; and Atlas of Science

Other eminent figures who supported the conference by facilitating the conference. The Conference Series also took the privilege of congratulating the keynote speakers on their organization Committee Members, Chairs and Exhibitors who supported this event.

The Conference Series is proud to announce the great success of Pharmaceutica 2018 the "17th International Conference and Exhibition on Pharmaceutics & Novel Drug Delivery Systems" to be held during March 18-20, 2018 at Edinburgh, Scotland.

Best Poster Awards

Title: Specific antibody fragments acting as FGF1 ligand traps that block FGFR signaling

Julia Chudzian, University of Wroclaw, Poland

Title: Microencapsulation of vitamin B1 by spray-drying: Preparation, characterization and Controlled release studies

Ioana C Carlan, University of Porto, Portugal

Conference Series LLC Ltd would like to provide the relevant input from the conference to announce the commencement of the “International Conference on Natural Medicines and Pharmaceutical Research” during September 24-25, 2020 at Paris, France. Let us meet again @ Natural Medicines 2020.
